

blue water cafe

The philosophy of our wine list can be distilled into one simple idea: standards and standouts. This entails balance between wines that set the global standard for style and typicity, and wines that stand out amongst their counterparts for no reason other than their individual quality and representation of unique terroir.

The following wines have been carefully curated to align with Chef Frank Pabst's approach to embracing fresh, sustainable seafood and seasonal produce. We proudly feature the best of local British Columbian wines alongside an extensive international selection from Europe and around the world, taking special pride in our Champagne and sparkling wine program.

I trust you will enjoy your journey, be it finding a familiar favourite or exploring something new.

Cheers!

SAKE

Sparkling

Sparkling sakes harness the carbon dioxide naturally produced in sake brewing to create an effervescence that elevates the aromas. Just like Champagne, the sake can be sweet or dry, and undeniably more celebratory.

Asahi Shuzo <i>Dassai 45</i> , Junmai Daiginjo, Yamaguchi (360mL) Nigori	88
Hakkaisan <i>Eight Peaks</i> , Junmai, Niigata (360mL) Nigori	72
Oku No Matsu, Junmai Daiginjo, Fukushima (290mL)	49

Bright and Fruity

Highlighted by their freshness and fruitiness, these sakes have tasting notes such as honeydew melon, canteloupe, green apple, and starfruit. Often more approachable, Bright and Fruity sakes are a great introduction to the world of sake.

Earthy and Savoury

Identified by their umami flavour profile, these unique sakes show notes of mushroom, black licorice, truffle, and chocolate. Earthy and Savoury sakes often develop their style using traditional brewing techniques such as Kimoto and Yamahai.
